<p>Summary: A joint operation "Operation Night Hawk" with PA State Police and local police agencies throughout ALL of Blair County. DUI-drug enforcement experience titled Operation Nighthawk. This two-day program will be conducted at the PennDOT District 9-0 Building, 1620 North Juniata Street, Hollidaysburg, Pennsylvania on April 24th and 25th, 2015. The Pennsylvania State Police has conducted this program for the past thirteen years throughout the Commonwealth with tremendous success.</p> <p>This operation will be under the supervision of myself and Sergeant Rodney Estep of the Hollidaysburg Borough Police Department, as well as PA State Police (for the Troopers). During the operations, officers from each agency will be teamed together in two officer vehicles (each different agencies). We are looking at 15 County Officers, plus Troopers of the Pa State Police. The requested funding would be for the Blair County Officers, as PA State Police will be funding their Troopers under a different process.</p> <p>This two (2) day event will begin each day at 7:00 p.m. and conclude at 2:00 a.m. The goal of the saturation patrol is to have a highly visible police presence on an evening/night across all of Blair County. Target/Subject of Investigation:

Narcotics Investigations involving Heroin and Prescription Medications; Unknown Offenders.

Location(s) of Activity: Blair County

Agency(ies) Involved: PA Office of Attorney General/BNI and the Blair County Drug Task Force.

In Blair County, the State of Pennsylvania and throughout entire United States law enforcement has seen an increase in heroin and prescription medication usage and illegal drug distribution. Heroin and prescription drugs are the leading cause of drug over doses resulting in death. It has been reported that 2013 was the first time ever that more people died from drug overdoses than from traffic accidents. The increase of heroin and prescription drugs was one of the main factors noted. In 2013 twenty-two people died from heroin overdoses in Blair County.

Law enforcement is aware that these narcotics are transported into the State of Pennsylvania and the County of Blair by gangs and other illegal organizations. With these organizations come an increase in crime and violence that includes robberies, assaults, shootings, and homicides.

Young adults are also starting to use and abuse drugs specifically heroin and prescription pills at an earlier age due to the accessibility of the illegal sale of narcotics. Based on reliable intelligence information Mexican Drug Cartels are flooding the country and more specifically the State of Pennsylvania with opiates to include heroin and prescription drugs.

The PA Office of Attorney General and the Blair County Drug Task Force will conduct narcotics investigations involving heroin and prescription medications in the County of Blair. This request will cover overtime for task force officers to complete this mission.

I am requesting funding for this operation.

Agency(ies) Involved: Altoona Police Dept

Detailed Investigative Goals and Scope of Drug Activity (attach additional sheets of paper as needed for narrative): On 9-29-15 members of the Pa Board of Probation and Parole went to the residence of Antonio Lacroce and Hazel Stewart, 1504 1/2 13th St to do a home inspection, as both persons are on supervised parole. Both Lacroce and Stewart are suspects in an active child abuse investigation by APD. When agents went into the apartment, numerous items of paraphernalia were found in plain view. APD officers then obtained a search warrant for the residence base on the agents findings and for a previous controlled purchase of heroin from Lacroce from that residence. Officers recovered additional paraphernalia as a result of the search warrant and (3) parties were arrested: Antonio Lacroce, Hazel Stewart and Thomas Strayer. Lacroce and Stewart were taken to Blair County Prison on State Parole Detainers.

On the same date a CI relayed he could purchase heroin from Robert Holland. Officers conducted a briefing and planned to arrest Holland after the controlled delivery. Agency(ies) Involved: Altoona Police Dept

Detailed Investigative Goals and Scope of Drug Activity (attach additional sheets of paper as needed for narrative): On 10-25-15 APD Patrol Officers responded to a call at 1614 13th St Apt #3 for a child crying, possibly in distress. Officers were able to make contact with a 5 year old at the residence, who was left home alone with his 1 year old sister. The 5 year old showed officers that the wipes may be in the bathroom closet. The officers observed money and a large amount of crack cocaine in the bathroom closet. A search warrant was then obtained for the residence and additional manpower was called in.

Officers recovered approximately 2 ½ ounces of crack cocaine, approximately \$2,500.00 and paraphernalia from the residence. The father of the children, Tyreese Pearson, returned home while officers were on scene and was placed into custody. A warrant was issued for the mother of the children, Melissa Molina. Target/Subject of Investigation: James Potts and residence - 203 Cedar Blvd, Hollidaysburg, PA 16648.			
Location(s) of Activity: Residence - 203 Cedar Blvd, Hollidaysburg, PA 16648.			
Agency(ies) Involved: PA Office of Attorney General, Blair County Drug Task Force, Blair County DA Office, and other local police departments as the case develops.			

The PA Office of Attorney General and the Blair County Drug Task Force along with the above listed agencies and departments are conducting an investigation on James Potts. Potts currently resides at 203 Cedar Blvd, Hollidaysburg, PA 16648. Operation Our Town has received several complaints from neighbors living near Pott's residence. The complaints have been of high traffic in and out of the residence for short periods of time and suspected drug activity. The Blair County Drug Task Force executed a search warrant on Potts' residence in 2007 and a consent search was conducted at his business, Mr. Paving and Street Print. No drugs were seized as a result of the two searches, however, it was determined that a large quantity of marijuana was recently moved from a gun safe/vault at Potts' business. Agents and officers noticed marijuana seeds in the safe and a strong odor of packaged marijuana. The Blair County Drug Task Force has also received complaints in the past from other anonymous individuals that Potts was a large marijuana dealer.

I am requesting funding for this operation.
