<p>Detailed Investigative Goals and Scope of Drug Activity (attach additional sheets of paper as needed for narrative: The Altoona Police Department began an investigation into heroin trafficking by Nathan Foor. As a result of the investigation officers determined Foor's source of heroin was a male from York Pa named Wayne Davis. Officers have received information from other CI's that Davis was their source for heroin and he subsequently shut them off after they were arrested or had police contact. A confidential informant was introduced to Davis by Foor and officers are able to purchase bricks of heroin directly from Davis.</p> <p>Trooper Schaefer (PSP) also had an active investigation into Davis and his source of heroin, believed to be Lawrence Francis, also from York Pa. The Altoona Police Department, PSP and PA OAG wish to continue a joint investigation into the trafficking of heroin by Francis, Davis and their associates in the Blair County Area. Officers plan to continue to make controlled purchases of heroin from Davis and his associates.</p> <p>This request is to cover overtime expenses accrued by members of the Blair County Drug Task Force until the completion of said investigation. If additional funds are needed, a separate request will be compiled. Money for buys will be covered by PSP, APD and the PA OAG.</p>

Target/Subject of Investigation: Michael Anderson

Location(s) of Activity: 1007 19th Ave

Agency(ies) Involved: Altoona Police Department

Detailed Investigative Goals and Scope of Drug Activity (attach additional sheets of paper as needed for narrative: On 12-22-16 officers conducted a controlled purchase of heroin from Michael Anderson and Cortez Howard. Officers were able to obtain a search warrant for Anderson's residence, based on probable cause from the buy and previous buys. Officers decided to execute the search warrant at 0500 hrs due to high traffic at the residence and icy conditions leading to the residence, causing a hazard.

Officers met at APD at 0500 hrs on 12-23-16 and conducted the briefing. Officers then executed the search warrant. Officers detained Anderson as he was returning home and the residence was searched. Officers located additional heroin, approximately (2) grams of methamphetamine, (50) steroid pills and paraphernalia. Anderson was cooperative and provided information in regards to his source. Anderson stated his source for the heroin and meth is a black male from Philadelphia named Caesar. Anderson stated Caesar left Altoona for Philadelphia on 12-22-16 and will return with more heroin after Christmas. Officers are going to obtain a warrant for Caesar and arrest him when he returns to Altoona with heroin. Anderson will be arrested at a later date.
