Open Records Request

Dear Ms. Brown:

Hollidaysburg Community Watchdog is an unincorporated non-profit entity registered with the Pennsylvania Department of State.

Pursuant to the Right-to-Know Law, 65 P.S. § 67.101 *et seq.*, we request and require the following public records within five business days:

- 1) All records pertaining to past and ongoing services provided to Bedford County by Susquehanna Accounting & Consulting Services Inc. Including those related to the disbursement of CARES Act and other COVID relief funds. Including but not limited to bids, contracts, invoices, approvals, meeting minutes, emails, and all other forms of correspondence, between January 1, 2020, and August 12, 2022.
- 2) All records of correspondence between Corey Troutman and Bedford County Commissioners both past and present. Including but not limited to emails, references to conversations in documents, transcriptions of correspondence whether written or typed, or any other form of communication between January 1, 2020, and August 12, 2022.

We will not oppose a 30-day extension, provided the time is used for a proper good-faith search resulting in a verifiable inventory of responsive documents. We will not contest proper redactions specified under 65 P.S. § 67.708. We undertake to pay reasonable and lawful expenses, including copying and postage, incurred in fulfilling this request.

Hollidaysburg Community Watchdog and I reserve all rights in this matter.

Sincerely,

Bryan D. King
